AM17/18/005 An opportunity will be given for electors to ask questions at the meeting

A resident asked for an update on the local plan. It was noted that the Plan is in the last stages of consultation that ends on the 26th May. The Burnley Bridge site was included in the existing plan for industrial use. The Plan states that the highways at Junction 9 are not sufficient to take additional development. The proposal includes development on greenbelt land. Councillors Birbeck and Garrigan agreed to attend the drop-in session and report back. A visual impact assessment has been promised. Objections have been put against the industrial use as this would be over intensification. A guest speaker was suggested for the next Annual Parish Meeting.

AM17/18/006 Date of next meeting

Date of the next Annual Parish meeting Monday 14th May 2018 at the Community Room, Ruskin Grove.

The meeting closed at 7:10pm and all present were thanked for attending.
